

WEST TISBURY HISTORIC DISTRICT COMMISSION
MEETING MINUTES

Date of Meeting:9/20/2021
Meeting at 5:30 PM

Attending: Sean Conley, Josh Gerhard, Nancy Dole, Charlie Kernick
Absent: Anne Fisher, Mark Mazer

Meeting began at 5:30 PM.

We signed off on various certificates of non-applicability for the Howes House to remove 2 sections of split rail fence, Anna Alley to remove garage, and Charles Kernick to repair porch and repaint.

The Vineyard Trust would like to remove a tree that threatens Old Library roof on Music Street, and they have agreed to hold off on that request until the HDC and the Trust meet and discuss their plans to replace and maintain all trees, new and old, on that property. The continuing existence of large shade trees is an important characteristic of the West Tisbury Historic District.

Respectfully submitted,

Nancy Dole, Secretary
